Form 990, Part III, Line 4b:

Community Program At GPG, we firmly believe that every family should be able to have the companionship of a pet even if they have financial restrictions. In 2018, 924 calls were answered on our community line from families and individual seeking support. Because the community we serve is a pet resource desert with no veterinarian or pet store, our staff and volunteers provide assistance to families to not only help them keep their pet during unstable times but also provide veterinary care that the community is lacking. 331 animals were spayed/neutered, 524 animals received life-saving vaccines and 330 animals received microchips. In addition, 238 community cats were sterilized and 71 animals received emergency vetting during a time of crisis. All of these efforts over the past five years have helped us drastically reduce the number of animals entering our municipal shelter and wondering the streets.
